# Dear family & friends

We are so grateful to have you all with us to celebrate our wedding in Sri Lanka.

We know many of you will travel from near and far, and we couldn't feel more humbled and excited to have all of our favourite people gathered together in one place.

Our celebration kicks off in Colombo with welcome drinks, followed by our ceremony and reception in Dambulla. In the coming months, we'll share more details, including a full schedule of events and a style guide with attire inspiration for each occasion, as well as tips on sourcing traditional Sri Lankan outfits if you'd like to embrace the local style.

We have also updated our website with a [full FAQ](#). Please take a look there and feel free to message either of us directly if you have any questions.

Finally, to help us finalise our plans and ensure we can accommodate everyone, please take a moment to [RSVP](#) on our website by **14 June 2026**.

Thank you for making the journey and being part of this special moment in our lives. See you soon!

With love,  
Kelly & Yasas

# From Colombo to Dambulla

The festivities begin in **Colombo**, Sri Lanka's commercial capital. Once a major seaport shaped by Portuguese, Dutch, and British rule before independence in 1948, it is now home to around 650,000 people, with 5 million in the wider area. Welcome Drinks will be held at **Firebeach at Galle Face Hotel**, one of the oldest hotels east of the Suez, built in 1864.

Our wedding then moves to Sri Lanka's Cultural Triangle. The ceremony and reception take place near **Dambulla**, home to a UNESCO-listed Cave Temple with over 150 Buddha statues and ancient murals. Nearby are the historic cities of Anuradhapura and Polonnaruwa, as well as the Sigiriya rock fortress. **Heritage Kandalama**, our venue, is a cliffside hotel known for its tropical modernist design.

## Suggested itinerary

Saturday 13/2	Sunday 14/2	Monday 15/2	Tuesday 16/2	Wednesday 17/2	Thursday 18/2
Arrive in Sri Lanka	Explore Colombo and <b>Welcome Drinks</b>	Travel to Dambulla / Kandalama	Explore the Dambulla & Sigiriya areas	<b>Wedding Ceremony &amp; Reception</b>	Continue the rest of your trip

The typical tourist route extends southwards towards the Hill Country (*Kandy, Nuwara Eliya, Hatton and Ella*), where you'll be surrounded by tea fields and then the South Coast (*Yala National Park* for a safari; *Mirissa/Weligama, Tangalle, Hiriketiya, and Ahangama* for the beach). If you want more of a cultural fix, head north towards *Anuradhapura, Polonnaruwa* and *Jaffna*. If you'd like to hit the beach sooner, you can head east to *Pasikuda Beach* and *Trincomalee*. If you're only in the country for a week, we'd suggest exploring more of the *Cultural Triangle* before heading back towards the *Negombo* for the beach before you head out.
